

Chemistry C121 Fall 2009

Register and Join a Class in Turnitin.com

The lab report summaries for your C121 labs will be submitted to Turnitin.com [<http://turnitin.com>], an online plagiarism detection service. This system is designed to encourage academic integrity, accurate use of sources, and independent work in writing.

Submit Work to Turnitin.com

If you are not already logged into Turnitin.com, log in from the homepage: <http://turnitin.com>

1. Click the name of the class for which you need to submit work.
2. Click the “submit” button next to the appropriate assignment.
3. In the “Submit a paper by” drop-down list, select “file upload”. **All submissions for C121 will be in Microsoft Word (.doc) format.**
4. Your first and last name should already be provided.
5. Enter the title of your paper—simply use the title of the laboratory experiment.
6. Click the “Browse” button. Locate and double-click on your paper file. Make sure the name of the file appears in the “Browse” box.
7. When all fields are completed, click the “Submit” button. Please note that you are only allowed one submission – please make certain you have selected the correct file.
8. When the file is submitted, Turnitin.com shows you a submission receipt as proof of submission. **Save the e-mail report for your records.**

Before you can submit your papers to this service, you need to go to Turnitin.com, join this class, and create a user profile. To get started, follow these steps:

1. Open a web browser (e.g. Internet Explorer, Mozilla Firefox, etc.).
2. Go to <http://turnitin.com/>
3. Click the "create a user profile" link, in the top right corner of the page.
4. Choose “student” as your user type.
5. Enter the class ID number and class enrollment password (*see box below*). Click "next".
6. Follow the next 3 steps to create your user profile, clicking the "next" button each time. NOTE: you can register with either your IU email account or an external email account (hotmail.com, etc.).
7. Read the entire user agreement. If you have questions, click the "I disagree – cancel profile" link and contact your instructor. If you understand the agreement and wish to continue, click "I agree – create profile."
8. Turnitin confirms that you have registered and joined this class. Click "log in".
